

**ANNEX 1: LIST OF PUBLICATIONS**

- Billiones, R.**, 2008. *Plagiarism in institutional institutions is extending to biomedical journals*. The Write Stuff, Official Journal for European Medical Writers 17:43.
- Billiones, R.**, 2007. *From academia to medical writing-And staying there*. The Write Stuff, Official Journal for European Medical Writers 16:166-167.
- Billiones, R.**, 2007. *A title to have and to hold*. The Write Stuff, Official Journal for European Medical Writers 16:177.
- Billiones, R.**, M. Brehm, J. Klee, and K. Schwenk, 2004. *Identifying Hyalodaphnia species and hybrids using restriction fragment length polymorphism (RFLP)*. Hydrobiologia 526:43-53.
- Schwenk, K., P. Junntilla, M. Rautio, B. Streit, B., O. Dove, F. Bastiansen, J. Knapp, J., and **R. Billiones**, 2004. *Ecological and morphological differentiation of arctic Hyalodaphnia*. Limnology and Oceanography 49:532-539.
- Tackx, M.L.M., P.J.M. Herman, S. Gasparini, X. Irigoien, **R. Billiones**, and M.H. Daro, 2003. *Selective feeding of Eurytemora affinis (Copepoda, Calanoida) in temperate estuaries: model and field observations*. Estuarine, Coastal Shelf Science 56:305-311.
- Billiones, R.**, M. Tackx, and N. Daro, 1999. *The geometric features, shape factors and fractal dimensions of suspended particulate matter in the Scheldt estuary (Belgium)*. Estuarine, Coastal and Shelf Science 48:293-305.
- Billiones, R.\***, M. Tackx, A. Flachier, N. Daro, and L. Zhu, 1999. *Image analysis as a tool for measuring particulate matter concentrations, gut content and clearance rates of estuarine copepods: validation and application*. Journal of Marine Systems 22:179-194.
- Billiones, R.**, 1998. *Spatio-temporal distribution of suspended particulate matter in the Scheldt estuary (Belgium) and interactions with zooplankton*. PhD dissertation, Vrije Universiteit Brussel, Belgium, September 1998.
- Billiones, R.**, 1998. *Environmental law does not always work: Case studies from the Philippines and other countries*. Annex thesis, Vrije Universiteit Brussel, Belgium, September 1998.
- Billiones, R.\***, M. Tackx, N. Daro, and B. Verdoodt, 1996. *Comparing particulate matter quantification by Coulter counter and image analysis*. Progress in Belgian Oceanographic Research, Brussels, Belgium. pp.27-30.
- Tackx, M. and **R. Billiones\***, 1996. *Techniques for characterising suspended particulate matter in relation to the functioning of the food chain*. Proceedings, Southwatch '95. Cebu City, Philippines. pp.45-52.
- Tackx, M., M.H. Daro and **R. Billiones\***, 1996. *Techniques for measuring feeding by mesozooplankton on natural particulate matter in various environments*. In: J. Baeyens, F. Dehairs & L. Goeyens (eds), 1996. Integrated Marine System Analysis, Brussels, Belgium. pp.178-187.
- Tackx, M., L. Zhu, W. De Coster, **R. Billiones\*** and M. Daro, 1995. *Measuring selectivity of feeding by estuarine copepods using image analysis combined with microscopic- and Coulter counting*. ICES J. Marine Science vol.52:419-425.
- Billiones, R.\*** and A. Espino, Jr. (eds.), 1995. *Science and Technology Advisory Council of the Philippines (STAC)*, Belgium Chapter Proceedings, vol.1, no.1.

\* due to records discrepancy, family name was previously spelled as Billones, officially corrected as Billiones in August 1997.
