

ANNEX: LIST OF PUBLICATIONS

- Billiones, R**, 2010. *Saxagliptin for type 2 diabetes mellitus*. *Drugs of Today* 2010 Feb;46(2):101-8. [Abstract](#).
- Billiones, R**, 2009. *Writing for web-based media: Some pros and cons*. *The Write Stuff, The Journal for European Medical Writers* 18:108. PDF
- Billiones, R**, 2009. *A week in the life of ...Raquel Billiones*. *The Write Stuff, The Journal for European Medical Writers* 18:59. [PDF](#)
- Billiones R**, 2008. *Academic titles revisited*. *The Write Stuff, The Journal for European Medical Writers* 17:103. [PDF](#)
- Billiones R**, 2008. *Plagiarism in academic institutions is extending to biomedical journals*. *The Write Stuff, The Journal for European Medical Writers* 17:43. [PDF](#)
- Billiones R**, 2007. *From academia to medical writing-and staying there*. *The Write Stuff, The Journal for European Medical Writers* 16:166-167. [PDF](#)
- Billiones R.**, 2007. *A title to have and to hold*. *The Write Stuff, The Journal for European Medical Writers* 16:177. [PDF](#).
- Billiones R**, Brehm M, Klee J, Schwenk K, 2004. *Identifying Hyalodaphnia species and hybrids using restriction fragment length polymorphism (RFLP)*. *Hydrobiologia* 526:43-53. [Abstract](#).
- Schwenk K, Junttilla P, Rautio M, Streit B, Dove O, Bastiansen F, Knapp J, **Billiones R**. 2004. *Ecological and morphological differentiation of arctic Hyalodaphnia*. *Limnology and Oceanography* 49:532-539. [PDF](#).
- Tackx MLM, Herman PJM, Gasparini S, Irigoien X, **Billiones R**, Daro MH. 2003. *Selective feeding of Eurytemora affinis (Copepoda, Calanoida) in temperate estuaries: model and field observations*. *Estuarine, Coastal Shelf Science* 56:305-311. [PDF](#).
- Billiones R**, Tackx MLM, Daro MH. 1999. *The geometric features, shape factors and fractal dimensions of suspended particulate matter in the Scheldt estuary (Belgium)*. *Estuarine, Coastal and Shelf Science* 48:293-305.
- Billiones R***, Tackx M, Flachier A, Daro N, Zhu L. 1999. *Image analysis as a tool for measuring particulate matter concentrations, gut content and clearance rates of estuarine copepods: validation and application*. *Journal of Marine Systems* 22:179-194. [Abstract](#).
- Billiones R**. *Spatio-temporal distribution of suspended particulate matter in the Scheldt estuary (Belgium) and interactions with zooplankton*. PhD dissertation, Vrije Universiteit Brussel, Belgium, September 1998.
- Billiones R**. *Environmental law does not always work: Case studies from the Philippines and other countries*. Annex thesis, Vrije Universiteit Brussel, Belgium, September 1998.
- Billiones R***, Tackx M, Daro N, Verdoodt B. 1996. *Comparing particulate matter quantification by Coulter counter and image analysis*. *Progress in Belgian Oceanographic Research, Brussels, Belgium*. pp.27-30.
- Tackx M, **Billiones R***. 1996. *Techniques for characterising suspended particulate matter in relation to the functioning of the food chain*. *Proceedings, Southwatch '95*. Cebu City, Philippines. pp.45-52.
- Tackx M, Daro MH, **Billiones R***, 1996. *Techniques for measuring feeding by mesozooplankton on natural particulate matter in various environments*. In: J. Baeyens, F. Dehairs & L. Goeyens (eds), 1996. *Integrated Marine System Analysis, Brussels, Belgium*. pp.178-187.

Billones, R. List of Publications

Tackx M, Zhu L, De Coster W, **Billones R***, Daro M. 1995. *Measuring selectivity of feeding by estuarine copepods using image analysis combined with microscopic- and Coulter counting*. ICES J. Marine Science vol.52:419-425. [PDF](#).

Billones R*, Espino A Jr. (eds.), 1995. *Science and Technology Advisory Council of the Philippines (STAC), Belgium Chapter Proceedings*, vol.1, no.1.

* due to records discrepancy, family name was previously spelled as Billones, officially corrected as Billiones in August 1997.
